“ Carlton was my next door neighbor since 2006. He was a great neighbor. One day I was burning some brush and I turned my back. When I turned back around I was shocked to see his yard on fire. I jumped the fence to put it out hoping he didn't see it, but here he came, fussing all the way. The next Spring it was the greenest part of his yard. We both laughed about it in later years as we reminisced. We missed him these last few years and will continue to miss him. Rest In Peace. Mr. Tracy Lee

“ To the Jones family please know that you are in our thoughts and prayers. We have known Carlton for a very long, he was a neighbor, friend and special person in our lives. He fought a long, hard battle to the end. We have missed him but have special memories of good times long ago but know he is at peace now.
