“ *Sadness filled my heart when I learned of Carmen's illness and then her passing. It's hard to imagine I can no longer call and talk with her, but knowing she's in the arms of our loving God, makes this easier. To her children, your mom had a loving heart and a kind soul. I will always be proud to have called her cousin. Due to my work, I may not be able to make it down in time, but if not, prayers for all of you during this difficult time in your lives. Walter H. Wilbanks*
