“ My prayers go out to family and friends in this tragic time. Remember Jehovah's words at Revelation 21:3,4 when soon death and sickness will be no more. Hopefully those comforting thoughts will help.##imported-begin##Julius Allen##imported-end##

“ I have known the Jetter family for about 27 years. They lived across the street and I am still friends with the family. I have always considered them part of my family. I have followed Carol's illness (through Kelley) since the beginning and I know that it was a struggle from the start, not just for Carol but for the whole family. One of my best memories about Carol is her laugh. You could be in the same place as her and not know it until she laughed. That laugh belonged to her, you could hear it and know right away that it was Carol. Those who have happy memories of her laughing know what I am talking about. That is how I choose to remember Carol, laughing.
