“ *I send my warmest condolences to the family. I am pretty sure that nobody likes events such as these, but there will be a time where there will be no more funerals nor deaths but eternal life in a paradise earth as mentioned in Revelations 21:4.##imported-begin##Codie##imported-end##*

“ *Carol will always be in my heart and memories, never gone. She played a special part in my life when I was 12, 13, 14 years old. She brought me over to stay with her family many a weekend during that time. I hung out with her like she was my big sister and I helped her with her little girls. It was a wonderful experience of family for me and I soaked up her warmth. She became a model for me in the family I would later create in marriage; she was so devoted, hardworking, patient, and kind.##imported-begin##Kathy (McLamara) Matson##imported-end##*

“ Me Me Carol will be sooo missed. She was so sweet, caring, funny, and she had a huge heart. She was easy to talk to and always made me laugh. She was so strong and had such a positive outlook on life-no matter how hard it got. I am so thankful for having her in my life as well as my childrens-who she treated as her own grandchildren.
I know she is in Heaven now, completely healed, floated with the purple butterflies.##imported-begin##Natalie Croom##imported-end##
