“ This was my Momma, She loved everyone that she met, everyone she spoke o even in passing has nothing but kind words about my mom. How she play jokes on her friends and family to make the laugh. All the time . She truly was an amazing woman and angel on this earth. God have was blessed the day she became my mother, she had to work so hard. And still did . Till March the 4th 2023 she retired early. Wanted to spend time with her family and friends more. She hadn't had much time to even get started. But she is rejoining pawpaw and granny and uncle William now, she missed them so much. We love and miss you momma I don't know what to do now your gone. Love you always, your Daughter. 🥹💔
