“ Saying a very sad goodbye to a wonderful lady and personal friend of ours and my entire family. Carol was a very special person, and we loved her to the end. There are many very special memories that we'll never forget regarding Carol and the Effel family. We absolutely miss her already.

*I won't say goodbye because I believe we will come face to face again in a land that knows no goodbyes nor tears. We were young together and shared a lot of good times. My heart never forgot you and Eddie. I just wish we'd never lost contact thru the years but we were so blessed to reconnect a few years back. I will never forget your laugh nor your beautiful long brown hair and brown eyes. We stood side by side that high school graduation day and started out our adult lives together though actually we were only teenagers. I love you Carolyn and I love you Eddie and will all the rest of my days. So for now I let you go with a huge hug and a kiss my dear friend and I will hold you in my heart until we meet again.*

*You're missed already by so many, you left this world with so many amazing memories. I'm so thankful to have had you in my life for so many years. Thank you for all the love, laughter and support, and for being apart of all the joys in my life, as well as sharing my grief. As far back as I can remember, you have been apart of my life, my family, my heart, I've been blessed. I love you and will see you again.*
