“ I was deeply saddened when my wife Jodi told me that her mother had passed away...Carolyn has been in my life for over 25 years...she has help my family so many times...she helped me and Jodi to raise our children...i never got to tell her simply thank you for all that she has done for me and Jodi...i know she is still.with us...i see her in each of my children...the most wonderful memory I have of her is a few months ago when me and Jodi took Jon, her great grand son to visit her and Clyde...the wonderful smile she had on her face when she saw him...Carolyn you are and shall always be my mother-in-law...and I know you will live forever in the hearts of your daughter, your grandchildren and your great grand son...
