When I first met you when I was hired in Juvenile Court, you had a loyal heart. I never saw you upset about anything. Heaven will be getting an Angel, but we will be missing a dear friend.

“ *We loved Aunt Carolyn, truly had a heart of gold. She was only eleven years older than me and we grew up next door so she seemed like my sister. She was a wonderful mother and created a beautiful family of her own. They are each fortunate to have had her guiding hand in their lives. She was proud of all of you.*

“ I remember Carolyn when she had rheumatic fever. My dad suggested we go visit her. She was a year older than me and was in one grade higher. I didn't remember her from school but after our visit she and I became friends. The next school year she was in my class. She was always a friendly outgoing person. Sorry for your loss but I know she is enjoying her reunion with Mary and Amos in Heaven. Take care and enjoy all your memories! Praying for you in your time of grief.

“ Carolyn was a true southern lady who loved and lived her life for the Lord and her family. She had a compassionate heart of gold. Always polite and kind to others. She loved and adored her family immensely. It was a pleasure to hear her talk about her children and grandchildren. Her heart was full of pride for every single one of them. She praised them for their courage as she witnessed them overcome life's challenges and thrive in spite of it all. She was fiercely loyal to her family and encouraged them in all they endeavored and supported them in a way that only a loving, caring mother and grandmother can do. What a blessing she was to all that knew her, especially those that had the privilege to be close to her. She was a good friend and confidante She had a sweet and gentle nature that endeared her to me and so many others. She was a very good listener and she genuinely cared. She had a wisdom about her that was helpful to me on many fronts. I loved her dearly. She will be missed. Her legacy of love and loyalty will live on....
