“ *Joni,*

It has indeed been a long time since we've spoke and I was definitely upset to learn of Cassie's death. I was just told about Cassie a little over a month ago by Shirley Wehnes and I have been looking for an obituary or anything that would put me in touch with you. Please accept my heart felt sympathy (from me and Shirley). Although, it may have been almost a year, I just can't imagine the emptiness you are feeling. Please give me a call whenever you get the chance. My number is 904-860-0916.

My prayers and thoughts are with you and your family.

Love Always,

Your extended Luria's Family

“ I was assistant manager at Books A Million last year, and worked with Cassie throughout that time. She only worked part time, but when she was there we would have great conversations. She was really funny, and made me laugh all the time! She probably was one of the sweetest, and considerate individuals I have ever had the pleasure of working with! She will be greatly missed. My heart and prayers go out to her family.
