“ Granny:

*I am missing you already. I am selfish and wish you were still here with us. I love you more than you will ever know. I know you are singing in the most beautiful choir today and catching up with ma and pa and many others. You are the most precious gift from God to me. I love you and till I see you again you will never be far from my heart.##imported-begin##Stacy##imported-end##*

“ Dearest Granny,  
Thank God for this glorious day, for you are in heaven with your Lord today! Hallelujah!

*Granny, I will miss you so much. Thank you for being there for me all my life. You were my guiding light when I was lost in life's storm. You were my closest friend in my times of need. You laughed and cried with me. I started out being your baby, but you ended up being mine.*

*My heart is broken that I won't see you till I join you in heaven. But my heart bursts with joy that you are now out of pain and nestled in the hands of Jesus.*

*Granny, I love you. You just don't know how much!*

“ *My prayers are with you Judy and all of your family members as you go through the stages of grieving for your mom. Relive the good memories of the time you had with her over the years. The memories are God's way of leaving an essence of our loved ones behind to soften the harshness of grief.##imported-begin##Nancy Puckett##imported-end##*
