“ *We were so sad to read of "our" Charlie's death. he was a special friend to us at his location on Wieuca Road. He bought PB's Pontiac years ago and it seemed he never stopped paying him for it. We saw him at least 4 times a week and always looked forward to his jokes and good humor, not to mention the excellent vegetables and fruits. We will miss him in so many ways.##imported-begin##PB and Judy Burdett##imported-end##*

“ *My neighbors and I were saddened to hear of the loss of our "Tomato Man". We truly missed him in the winter months and knew that summer was right around the corner when he showed up again in spring. I will miss his hearty welcome of "Hello young lady" and his parting "Come back and see us". He touched our hearts, he was a valued member of our community. My thoughts are with you, his family - I am so sorry for your loss.*
