

Charles Anderson "Andy" Belt, Jr.

August 25, 1979 - May 9, 2021

Charles Anderson "Andy" Belt Jr. died surrounded by family and friends on Sunday evening, May 9, 2021. Andy was 41 years old. A devoted father of 4 beautiful daughters, Andy loved to host gatherings with family and friends at his home in Loganville, GA. When he wasn't out earning a living doing auto detailing or home repairs, he was most often found fixing something in the house, working under the hood of a car, cooking in the kitchen (or on the grill outside), or watching a movie on the couch with his girls.

Andy never met a stranger; all you had to do was ask and he was ready and willing to lend a hand and help others. He met the love of his life, Kelly, at a very young age. They got married when he was 23. While they had their ups and downs over the years, they always focused on their love for their daughters. Ultimately, Andy and Kelly reconciled their love for one another before he passed.

Over the past year, Andy struggled with illness and endured multiple hospital stays and surgeries. Through it all he continued to stay positive and do his best to provide for his girls and Kelly.

Andy is survived by his father, Charles Anderson Belt Sr., his sister, Nicole Belt, his brothers, Jesse, Leigh, Patrick, Chris and Phillip, and his daughters Mia, Blair, Ryann and Adley Jane. While Andy was known for being

opinionated and often said , “I’m not being a jerk, I’m just being honest,” he gave his love freely to everyone. He will be missed greatly by everyone that knew him.

“ *What I remember most about Andy was his dedication to his girls -- he was always there for them, spending time with them, teaching them things and working hard to make sure they had everything they needed. That said, he was a tough love father and often gathered up all the kids running around his house, even the ones that were not his, sat them down and started off with, "This is how it's going to be..." He believed being around people was the best medicine of all. Everyone and anyone was welcome in his home and there was always plenty of food to share. Countless times he would tell me over the phone, "Just come up here and have some dinner, you'll feel better." I went often, I wish I went more. I am thankful for his friendship. I am thrilled we splurged on a take a vacation to Gulf Shores in June -- and I am thankful he allowed me to bring my puppy even though he said, "No, you are not bringing that dog," about 1000 times. May Andy rest in peace knowing that everyone who loved him will always be there for his girls and Kelly.*
