“ Mrs. Dot, I was so sorry to hear of Mr. Charles death. I want you to know that you both have played a very important role in my life. Your love and dedication for each other and the pharmacy has left a big impact on me. I have always admired you both. Thank you for taking the time some 35 years ago to train and teach me how to be a good employee. Thank you for being a great example in work and in life. Mr. Brand did not have a lot to say but when he did it was honest. Even back then I did not understand Christianity I knew there was something different about you and now at 50 years old I fully understand and now have come to know the one and only true God. Thank you again, I look forward to seeing you both someday in Heaven with your crowns. Lynn Richardson (Allison)##imported-begin##Lynn Richardson (Allison)##imported-end##
