“ *Chuck was just a big ole Teddy Bear. He adopted this stray cat here in Chillicothe and when him and Bev would go out of town he would ask me and my daughter to go feed this cat. We NEVER saw this cat. Caitlin calls it the "Ghost Cat." Both Chuck and Bob were like dad's to me and I will forever love them both. Liz Fechtig*

It was my privilege to be his pastor the first 13 years of my ministry. Love his and his family's help and encouragement. What a great voice. I got to always sing next to him and got me to sing the songs correctly. God bless family and friends with Jesus' promise, "Because I live, you will live also."
