

Charles Edward Hammonds, Jr.

September 4, 1958 - February 24, 2024

HAMMONDS - Charles Edward Hammonds, Junior, born September 4th, 1958 in Atlanta, Georgia, passed away on February 24th, 2024 in his long term home in Monroe with family. He graduated from Rockdale High School in 1976. Eddie was a good man, who grew sweeter with each passing day. His loved ones knew his mannerisms and sounds, especially his distinctive, rumbling laugh. With dignity he walked the earth as a loving husband and father. He mastered pipefitting as a member of the Local Union 72 with 45 years of service. Born and raised in Georgia, he traveled the country, but always called this state home. As a younger man, the outdoors were where he was most comfortable. He enjoyed watching hummingbirds feed and casting a line in hopes of reeling in a fish or two. As he aged, his family came first, and he preferred to be at home fostering lasting relationships. Although a steadfast and pragmatic person, his compassion was not lacking, which was evident in his companionships. He is survived by his wife, Brenda Arnold Hammonds; his children, Alyssa Hitch (Conner), David Lambertson, Andrew Lambertson (Abby), Elizabeth Whitaker (Tim); grandsons, Dallas and Lincoln Hitch, Ryder Kelley; granddaughters, Kaya and Cassidy Kelley; mother, Mattie Lou Hammonds (late Charles Hammonds Senior); mother-in-law, Priscilla Pirkle (late Leroy Pirkle); sister, Cindy Anne Wallace (late John Lee Wallace); brother, Steve Hammonds (Tammy); sisters-in-law, Jean Meyberg, Laura Wells (Chris); brother-in-law, Will Arnold (Louise); great friend, David Dean; his Chinese buffet buddy, Cal Barton; several nieces and nephews. As with

anybody, he did not want to leave all the love that surrounded him in life. Embarking on the next great journey, he knew his unforgettable memories would endure in the hearts of his loved ones. The grief we feel is proof that our love remains, unending. His absence will be deeply felt, and we will miss the days his laugh filled our home with warmth and love.

“But when tomorrow starts without me
Please try to understand
That an angel came and called my name
And took me by the hand” - David M. Romano
