“ *When Mr. Webster wrote his definitions for friend and neighbor he should have put the name Charles Moon in there for surely Charles was a perfect example of both. So many memories of days gone by filled my heart and mind when I heard of his passing. He was a good man from good parents and we will always remember them all. Our hearts and prayers go out to all of you at this time. Our love, Debra and Earl Bryant###imported-begin###Debra Bryant###imported-end##*
