“ *We will truly miss Ray and his sweet demeanor. We spent much time at Bojangles and loved him.*

A sweet memory is when our granddaughter came in with her dad and she sat down with Ray while her dad placed their order. Her dad didn't know Ray so he was surprised to see his daughter sitting with a stranger. She explained that she knew Ray from being dropped off to meet Bo and had spend much time with Ray.

We will miss going by to see him and him dropping by the house to spend time.

Our thoughts and prayers are with Sue and his family.

Thank you Robin. You were his favorite nurse for sure. I am heartbroken. He fought so hard to stay with me and to make till Dr. Munsey retired.
