“ ~IN MEMORY TO MY DAD~

*Dad Thank's for the lives U touched "thru years of pain & suffering" ((we all know UR disabilities were ~~~>> **a burden to U**, "but U rarely complained"!!). U always moved forward ~~~>> in a positive way even through all the ups and downs, "that life dealt U.. till the very end"!!.*

U were such a positive influence in mine and "so many more lives in UR lifes journey", ~even though U suffered so much 4 yr's.~. U seemed to always "find confort somehow thru it all by knowing this"!!~ ((AS THE ONES CLOSE TO U ALL KNEW 4 YEARS...)).

~Me and U didn't always see eye to eye on everything through the years~ ((who ever does...lol...!!)), "but we always worked through what ever we ran across" and were best friends through it all "to the very end"!!

***There is no more pain or suffering where UR at now**, "only peace & lots of Smiles"!!.*

Love U... ((UR only son)),

Kenneth :~)

*PS. **U gave me lots to be proud of!!**.*

~~~And~~~~>>

*~Although we all miss you dearly~, "we know UR in a better place"!. I know UR having the best Thanksgiving U have had in years, "now that UR suffering is no more..."!. Although your greatly missed here on the home front "more than U or anyone else could ever imagine"!!!. **I/we all miss U dearly** and "we will all see U again someday soon..."!!!!. ~~TAKE CARE TILL THAT DAY COMES"!!!!~. :)###imported-begin###Kenneth V. “ Joyce:

I am so sorry to learn of Charles death. I am sorry I can't come to visitation. Larry just had a kidney removed November 5th and is not doing too good. He has been on dialysis since August. Our thoughts and prayers will be with you during this time.###imported-begin###Beverley & Larry Cooper###imported-end###

“ Dear Joyce, Kenneth, Kathy and Candace,
My mom called me this morning and told me about Charles. I have so many good memories growing up on hood street. Swimming in the pool behind your house, I remember Charles planting gardens and Kenneth and me and my brothers playing plastic ball in the garden. Charles taking me and Kenneth deer hunting. Kenneth and I playing air hockey. Kenneth and I were best friends growing up. I know we caused alot of grey hair for Mr. Charles. Your family was always so kind to me! I know he suffered from pain through the years. He is in a better place. My dad is recovering from brain surgery so we have been dealing with sickness also. I think of you all and I will say a prayer. Kenneth I hope you are doing ok, life is flying by. Maybe we can talk to each other one day.##imported-begin##Mark Mangum##imported-end##

“ I remember when Charles was my boyfriend. He may have been dating Joyce but he always told me he was my boyfriend and even brought me gifts. I remember especially the Chinese Chekcer board that stored the marbles inside. And then he goes and breaks my heart by asking Joyce to marry him instead of me. She even got the beautiful shiny ring. I cried and cried and was so mad at the wedding that I wouldn't even smile for a picture.

Mike and Charles took chemo together and it really meant a lot to Mike for Charles to introduce him to everyone as his brother in law. When I received word that Charles had died, I immediately envisioned Mike in the welcoming committee greeting Charles as he entered the gates of heaven, too. Now Mike can introduce him to all those that have gone on before as his brother in law.

My love to all of you. I can truly say that I've been there and no words can ever feel that void. But just knowing that people do care helps to ease the pain.

Love,

Donna###imported-begin##Donna Hughs###imported-end##
