“ *We are going to miss you very much boss. And you were much more than that to me, you knew it, and so did the family. A friend, and an anchor for when I was, am, going through my issues. The lord shined a light on me when he guided me to you and Miss Shirley over two decades ago. And now that light must shine in heaven. Us earthly bound creatures will be with you one day. My prayers and love goes out to all the family. It's going to be hard for some time to come. But we friends will be here when ever you need us.*

“ *We are so sorry to hear of the loss of such a great patriarch (the male head of a family or tribe). So many children, grandchildren and great grandchildren will surely miss their leader. Shirley have relief knowing that he is now resting easy and in peace.*
