“ Our Class of 1958 has lost another good classmate. I grew up with Charlie and family in Ashland and attended church with him and family. My mom and his mom were good friends. Charles was at our 50th reunion so I was able to see him again after all the years passed. I know he will be missed, but heaven has gained another. Prayers and Blessings to the Family.

“ Our deepest sympathy to the family. Charlie was a man that wanted to get to know everyone at work; he seemed so excited to meet new people. His excitement made our meeting very special. He had such a great heart for people! Charlie's smile made you feel welcomed and appreciated - you just couldn't help but love him. Our friendship started because of RV's, but quickly grew into a relationship crafted by the Father's hands. Charlie was always willing to do anything to help others and our family will surely miss him! Pat, you are in our prayers! If you need anything...

*I met Charlie one evening while shopping at Walmart with my family. Jeff was very quick to notice Pat and Charlie on the isle next to us and went over to speak. Jeff introduced me and through a brief conversation he asked about my employment...I explained that I worked at Dacula High School - he asked if I knew a Julie M., and I explained that this was one of the students that I worked with. I had Julie who was a blessing in my life and Jeff had her grandfather...who knew that we both were being blessed by the same family. I am so thankful that I got to know Charlie - he was a very special man, and when he hugged you...you knew you were loved! God bless you Pat, Becky, Ray, Julie, and Laura.
We love you! Vonda Davenport*
