“ I met Cherri at the chemo room in Lawrenceville. We shared side by side chairs. I found out she was a cancer survivor for 10 years and that it had come back. I shared I was cancer free for almost a year and it had come back .Our faith in our Lord and believing the healing was discussed quite a bit. I did not comprehend the Cherri I was reading about was my Cherri until today when I went for chemo. Last week, she said by Hilda, see you next week, OK you have a super week. Keep the faith. My most sincere sympathy to the family.##imported-begin##Hilda Newton##imported-end##

“ I am so sorry for your loss. The shock is so numbing. I enjoyed working with Cherri on the Walton EMC Trust Board. She did a lot even though she was sick to help her less fortunate neighbors and charities.##imported-begin##Anna Shackelford##imported-end##

“ James, Cherri and I were friends since we were 2 years old. We went all through school together and were best of friends. I met my husband in her front yard on Rowland. We went looking for our first jobs together. She was in my wedding. I had lost track of her in recent years and did not know we lived so close. She was a dear friend for so many years. I am so sorry for your loss and will miss her. I always thought I would be able to reconnect with her one day. I loved her.
