

## Cheryl June Raper

December 23, 1952 - July 26, 2025

Cheryl Raper, 72, passed away peacefully on July 26, 2025, surrounded by her family and friends. Born on December 23, 1952, in Guin, Alabama, Cheryl lived a life marked by dedication to her family and friends and a lifelong commitment to caring for others through her work in nursing and hospital administration.

Cheryl built a distinguished career with Piedmont Healthcare, where she devoted herself to the well-being of patients and the advancement of healthcare services. Her compassion and leadership left a lasting impact on colleagues and the many lives she touched throughout her years of service. She was a devoted wife to Tom Raper and just celebrated 50 years of marriage on May 10th. She was a loving mother to their children: Amy Raper of Monroe, Ashley Goldsmith (Steven) of Social Circle, and Cody Raper of Loganville. Cheryl found immense joy in her role as “Grammy” to her cherished grandchildren: Grant Levi Williford, Reid Hayes Williford, Alexander James Bastidas, Allyson Ruth Bastidas, Timberly Grace Goldsmith and Easton Wade Goldsmith. Her love for them was boundless and unwavering. Cheryl was preceded in death by her parents, Junior and Ruth Hayes. Their memory remained close to her heart throughout her life.

A proud supporter and season ticket holder of the Alabama Crimson Tide, Cheryl’s enthusiasm for her team was infectious and brought joy to many game days shared with family and friends. She was also an avid cook who delighted in preparing meals that brought family together around the table-her

kitchen was filled with warmth, laughter, and unforgettable flavors. To know Cheryl was to love her and you always knew exactly where you stood. She lived authentically and loved fiercely. Her warmth, strength, and unwavering love will be deeply missed by all who knew her. Her legacy lives on through the family she adored and the countless lives she touched through both personal connection and professional care. May her memory bring comfort and peace to those she held dear.

“ *Cheryl loved her family dearly. It showed by how she talked about them and how she showed up for them. Recently they had been out of town for a family trip and her grandson had a baseball tournament the day after they got home. She got up really early to make sure he was there. She got to see him play in the outfield with the team only having 8 players. He made amazing plays and had really good hits that day. I am thankful I was there to see the excitement on her face that day. You will be truly missed Cheryl! We were blessed to have known you. Love you and your family. ROLL TIDE!!!*
