“ Rare are individuals like Chris, who come into our lives for a season and for a reason. Chris packed so much love, kindness, and fun into his brief stay here on earth and made us all better people. His amazingly positive attitude, despite all the hurdles and obstacles, never waned and that amazing smile never faded either. There are hundreds and hundreds of pictures of Chris and I believe he's smiling in each and every photo. And I know he's still smiling down on all of us now. Chris would not want us to be sad, and would not want us to cry unless it's happy tears. Until we meet in Heaven, your magnificent smile will light our days and carry us through our times of missing your earthly body. Peace my friend -
