“ So sorry to hear about Tina's passing. I enjoyed working with Tina. Her fun attitude and friendliness made her a joy to be around. She was always ready with a hug and friendly smile. And who didn't love the December full of all her Christmas sweaters! She will be missed.

“ I am so sorry to hear of this as I loved Tina and we were friends who started out on this parenting path about the same time (even using the same daycare). We worked together and I knew I could always come to her with a question and she would take the time to talk it through and of course do some "mom talk" as well. Prayers to the family and especially those kids that she loved so dearly!

“ *Scott, Lance and Amanda,*

*Mark & I worked with Tina for many years. We saw her life change from a single lady, to a married woman, a mother-to-be and finally a Mom. With each change, her smile and her heart grew. Her greatest success was how you will remember her.*

*We pray these memories will bring you comfort.*

“ I am very sorry to hear of Tina's passing. I have known Tina from across the US since Global Payments acquired our business in 2012, having worked remotely and on a few occasions going to Atlanta to meet with her. Tina has just always been there, knew her card brand rules like nobody's business. I am very sorry to hear she suffered and that she departed this life from her family. My sincerest condolences.

“ *Tina was a wonderful, wife, mother and remarkable woman. Her family was her priority, and she loved them with all her heart. She never met a stranger and put everyone at ease in every social situation. She was an incredible cook and made the best stuffed mushrooms. Hers and Scott's love story was so heart warming, and they did an exemplary job parenting their beautiful children Lance and Amanda.*

*Sister Tina, I will see you at the heavenly reunion. ❤️*
