“ I was very sorry to hear about Chris but know she lived a full life filled with family and a long career at the Fairmont Press. She always had a smile for everyone at work and the many trade shows she attended on behalf of TFP. She amazed me with her dedication and energy to her work. Sending much love and my deepest sympathy to her friends and family.

“ Chris was a very special lady. She was a coworker and took on alot of tasks at the office to make things run smoothly. She did alot of multitasking! She travelled with our trade shows all over the US and ran the book booth. She was a awesome friend and we all will miss her greatly and she will forever in our hearts. Praying for all her family & friends through this sad time. She is home and with Horace. ❤️ Kat & family 😊

“ *Chris was a dear friend and it was a privilege to have worked with her for over 30 years at Fairmont Press. She was the consummate hostess of our book booth for many years as she traveled around the country making friends and loyal customers wherever she went. Always interested in hearing about your life and your family, she had time for everyone. She was a great lady and I extend my deepest sympathy to her family and loved ones.*
