“ To all family of Christine. I was principal of Snellville Middle from 1969 till 1989. I had the privilege of working with Christine when she was supervisor for the Gwinnett School system. I had the most respect for her as she lead the system to a wonderful program. She was mine and Deloris friend through knowing her also in the Gwinnett County Retired Teachers Association. She was quite a lady. She will be missed.##imported-begin##Reid and Deloris Mullins##imported-end##

“ *To Jerry and all the Family,  
Our condolences go out to you and all the family. You have been in our thoughts and prayers all this day and will continue so.  
Christine was very special to me many years before any of you knew her. As a young tad, Christine let me join her and her friends when we visited Aunt Irene and Uncle Fred. She was beautiful and I was very much in love with her. My first remembered picture was with her picking cherries in Uncle Fred's orchard. Seems she had just graduated from UGA.  
She was always warm, friendly and supportive of me and often visited her Aunt Vinie (my Mom) in Mom's later years after I had left Georgia.  
Christine will always be remembered fondly. May God hold her close.##imported-begin##Jim Lowry & Susan Johnson##imported-end##*
