We were out of town this week but young David was able to return early to be there to honor Critter today. Our Cooper family is blessed to have known Critter for so long. What a wonderful man he became. Our little boy memories of him from Mountain Park Baseball, soccer and sleepovers and all sorts of events are cherished moments. We are lifting you all up. “ Dear Sharon and your family,

*Critter's sudden passing is a great shock; I am still in disbelief. He was such a handsome, nice young man of truly good character (due to your wonderful Mothering) who would have contributed much to his family, friends, and his community if he had been given the chance to live. His death is a great tragedy. Remember that he loved you all very much and would want you to again be happy and live out your lives to the fullest to honor him. You are still my sister-in-law in my heart and know that I am deeply saddened by Christopher's passing. I love you very much and you are in my thoughts.*

“ Our hearts go out to you and your family. We have such great memories of Critter. I remember when we had Critter on our all-star team - he was a great kid and one of my favorites to coach. Wish we had had 10 more just like him. Even though I didn't have him very long, he had a great personality and carried himself well on the field. We'll never forget him. Our prayers go out to you and your family during this difficult time.##imported-begin##Mike and Mary Cash##imported-end##
