“ *There has and always will be a warm spot in my heart with I remember Chuck. We share a lot of years full of memories. One of my favorite was working or more likely learning from him. He was the consummate salesperson! He will be missed.
Fran, my thoughts and prayers go out to you and your family.*

“ We will miss our dear friend Chuck. He was a big contributor to the Pathfinders Sunday School class at Loganville First Methodist Church. He always had a story that was relevant to whatever we were studying. He was a good Christian man so we know that he is now sharing those stories up in heaven! Blessings and comfort to his wife Fran, and to all of his extended family.

“ Chuck was the ultimate teacher, as a sales rep I knew I was watching a master at work. I appreciated his willingness to help others learn to do what came so natural to him. Chuck truly was a good man that endured many hardships yet always bounced back. God speed Chuck Bagley and thanks for being a great leader in your many endeavors!

“ Dear Fran,
Joann and I share your grief and sorrow over Chuck's departure. His loss is also felt by the many citizens who benefited from his dedicated public service. As you know, Chuck talked me into running for election to the first Tara Resident Advisory Committee where we first formed a lasting friendship. I found him to be a man of honor and integrity which I admired and respected him for the most. I fully expect that at some future date, I will meet up with him again where he will be waiting on the first tee of a new golf course which is just a breath away from where he is now.

“ Rest in Peace My Dear Friend. I shall miss our talks and discussion and our passions about politics. I shall miss the smile and hug I always got when I would see you. We would agree to disagree but the friendship we agreed upon. You fought very hard always in everything you did and you did so as a gentleman. Chuck, you shall forever be in my thoughts and in my heart.

“ *On the fourth Sunday of October 2015, my family visited Loganville FUMC for the first time in search of a Church Family. As soon as we entered the sanctuary, we were greeted by Fran Bagley and Chuck soon followed. They asked us to stay for a pot luck lunch and would not take "no" for an answer. They rounded us up after church and invited us to join them at their table, along with Dr. Bob and his wife Debra. It was a lovely time and we were made to feel so welcome! Since then, there has not been one Sunday when Fran and Chuck weren't there to greet and welcome us and were both instrumental in our decision to join Loganville FUMC. I came from the Catholic faith and Chuck was a wonderful mentor to me since he had taken the same path some years earlier. He " half invited and half instructed me" to join the Methodist Men's Group and was always there with a big smile of welcome on his face. Chuck became a pillar of the church to me and I will deeply miss him each and every time I walk through the door! God bless you Fran and Chuck!*

Fran I always enjoyed being with you and Chuck at our class reunions. I went to the 20th, 25th, 45th, 50th and 55th. I too left the Catholic church and became a Presbyterian and served as an Elder. Since I use a scooter all the time now I do not get out as much. Your family will remain in my prayers.
