“ My condolences to the Scarbrough family. I remember him well! He was instrumental in the success of my first computer sale of an RCA 45 to a service bureau in Dothan, Alabama, 1974! We had many good times and drinks together, as he was then the Birmingham CE Branch Manager for UNIVAC in Montgomery. May he be with our Lord!

“ My condolences to Chuck's wife, Ann, and their precious family. Chuck hired me at Sperry in 1985. He was an awesome boss and a good friend. He was well thought of as the Atlanta Branch Manager of Customer Engineering and my favorite boss of all time. People pass through your life for a reason and I am so grateful I had the opportunity to be his employee and friend.

“ My thoughts and prayers are with the Scarbrough family. My husband (Bob Brough) now deceased played many enjoyable rounds of golf with Chuck and also worked with Chuck at Unisys. I'm deeply sorry for your loss and to let you know he was a great friend for many years. RIP Chuck.
