“ I met Cindy during one of our literature classes at college. She was always quick to answer or offer her input. I didn't to truly know her until her final semester at GGC where we would visit office hours together, study in the halls before or after class, and she would give me notes. She was a devoted woman, always prepared and just put a smile on your face just by talking to you.

Ms. Cindy, I'm sad to not have gotten to say goodbye but I know you're resting.

Thank you for brightening my life in our time together.

“ I met Cindy through Furkids Animal Rescue. She always had a kind word and a smile for everyone. She lit up a room just by entering!!! I am just now learning of her passing 5 months later and I am so, so sad for her family's loss, my loss and the worlds' loss of Cindy. I will see you on the other side my cat sister from another mister!

“ *Cindy is one of the loveliest ladies I have ever known. She always wore a smile and was so sweet, and so friendly every time I was in her company. Heaven certainly gained a loving angel.*

“ *She was always a ray of sunshine at Crews and brightened my day every time we spoke. She always went out of her way to say hello and ask how i was doing that day which is a small gesture that holds a huge place in my heart. I'll miss those daily interactions and the little glimpse of light that she offered when the day seemed so dark.*

“ Ms. Cindy is a great loss to our Crews family. She was the sunshine-smile on any given day with so much positivity that I couldn't feel down after talking with her. She shared her smile with every student she interacted with. When my own children came through Crews, she would call them by name or a sweet nickname that would bring a brightness to their face. "Sugar" and "sweetie" were her top 2. When they weren't at the school, she would always ask how they were doing and celebrated them, while encouraging me to continue being a great mom. She will forever live in the heart of Crews Middle.

“ To Jimmy and Cindy's family, I am so sorry for the unexpected loss of Cindy. My prayers are for your peace and comfort at such a sad time. Cindy was a woman of faith and she is with her loving Lord today. For that I am thankful and I will see my beloved friend again. Cindy was a faithful volunteer at Furkids for 17 years. She selflessly gave her time, talents and treasure to our organization and for that we are eternally grateful. Her friendship and loving care impacted the lives of dozens of volunteers and hundreds of animals. Her absence from our lives will be felt for the rest of our time on this earth, but her memory is a blessing and will provide comfort to me and Furkids as we recall the wonderful times with our beautiful and gentle friend. There was no one like Cindy Hall and I am blessed to have known her for all of these years.

“ I was fortunate to know Cindy at Georgia Gwinnett College where she was a student in several of my film classes. We shared a love for Old Hollywood movie stars and the Starlight Drive-in. She just radiated loving energy and was a true delight as a student and a friend. I'm heartbroken to hear of her passing. My condolences to her family.

Beth Mauldin - February 07, 2023 at 05:35 PM

Thank you! She talked with me often of your class & we discussed the movies y'all were reviewing. I enjoyed sharing that time with her. Yes, my heart feels like it is literally broken & I wonder how I can go on as I've never lived a day before without my sister in my life, but she & I knew & believed Jesus' words 'it may not always be easy, but I promise to be with you each step of the way'. I KNOW this is how Cindy kept going.

I made friends with Cindy at Maranatha Baptist Church many years ago. So sorry to hear of her passing. Loved her so and she was so helpful with my two sons.

I just found out today about Cindy. She was so witty, smart, and a truly good person. Anyone who volunteers at a cat shelter every weekend, to clean up and care for animals is in my book! She was True Blue. Loved her! Allison Hamilton

“ Always recall Cindy as having that sense of humor when we were together at Maranatha Baptist Church. She was always faithful to visit when my mother and sister passed away even though it had been years since we went to church together. Such a great family friend. She will have time to visit with her mom now. Prayers for the family.

Thank you Ricky. We consider y'all part of the family. I guess that's true as the song says, "I'm so glad I'm a part of the FAMILY OF GOD". And in this we find comfort because we already have such a LARGE FAMILY REUNION gathering & waiting for the rest of us.

“ Cindy was a kind and generous woman. Working with her and watching her dedication to the Furkids cats and family was my honor and privilege. Knowing she is reunited with so many of her furry friends is a slight comfort to her loss.

“ I met Cindy as a volunteer at Furkids when we both were there on Sundays. Her love and compassion for animals and her kindness towards all volunteers has left a indelible mark on my life. Cindy always remembered personal details to ask about the next time she saw you and I am so much richer for having known her, her love of Christ and thankful for the memories I have of our times together.

“ To have experienced the presence of Ms. Cindy was to love her. She had a heart of gold and she looked after all of those around her. She was fun and she had a wonderful sense of humor. She made all of those who came into contact with her feel loved. She was the living definition of ‘A heart of gold’. I am blessed to have grown up watching such a kind and loving woman. I am grateful for my memories of her. Praying for Mr. Jim, Loren, Ryan, her three beautiful granddaughters, all of her family and also her friends. A true angel has made her way up to heaven. I am praying for healing and peace for all.

I was able to work with Cindy at Crews for over 26 years. She and I are founding staff members. She deeply loved the students and they loved her. I never knew her to be down. No one had a brighter smile and better personality at Crews. She always lit up a room with her humor and positive outlook. She is greatly missed and has left a deep hole in the staff family. We were just talking about her family. She so deeply loved all those around her. I am a better person because I knew her. Cindy, can't wait to see you in Heaven where we will pick up where we left off at Crews!

Cindy, I am so incredibly lucky to have met you at Crews Middle School in 2005. I knew we were going to be best buds from the first day. You were just the most kindhearted, most beautiful woman I have ever met. You taught me to be a better person. We had so many giggles and laughs together. I am so very proud of you for achieving your goals and never giving up. Your smile just lit up a room. I am so deeply lost without you. I know you are smiling down from Heaven and watching over all your family and friends and furbabies. I will see you again my dear friend. I Love you!

I met Cindy when I began volunteering at the busy Peachtree Corners location of Furkids. She welcomed me like we had been friends for years and was so very kind and patient to help me feel at ease right away. Her dedication to the cats was unmatched. She knew each one by name and had a remarkable instinct for knowing how to give each one the love and attention it needed. I looked forward to seeing her on Sundays and hearing about her interesting life and love for her family. I learned so many things from her, but her most important lesson was compassion. Bless you for your warm friendship and generosity of spirit. You will be missed.

I met my sister Cindy in 2014 when I moved to the area from Florida and started to work at Crews MS, what a bright beautiful light she was. There is one thing that I know, her living was not in vain, if nothing else, her life and death has caused me to stop and reassess my walk with Father God. Thanks to her light I am now challenged to be more like Jesus and Cindy. Our usual greeting was "Hi Sister and then we would hug." Today I say "Goodbye Sister" see you on the other side and I know you will be greeting everyone with that smile. My prayers of comfort go out to her dear family and friends.
