“ *Claire was a dear friend of mine for a number of years and I am blessed to have had that. great friendship. I was so glad that I got to visit several times before she passed away. I will always remember her concern for my mother's health and her making all kinds of dishes that would light up her face, and mom would ask, " Did Clair make this " ? I would reply "yes " and it made her so happy. Clair was always helping someone feel better. She will be missed. We love you, Glenda and Tim*
