“ Aunt Clara will be missed by many. I loved listening to her stories of my mom Dorothy Mosley Drake and all of the Mosley clan. Aunt Clara had a great memory and a way of making the stories so interesting. Pam Drake Prochaska

“ So sorry to hear of Clara passing. Clara and Otis were more like brothers and sister to me as I grew up.

“ Clara was one of the sweetest aunts anyone could ever have. When we were young and visited she would have Mickey Mouse puzzles to play with. One time she was going to let us butter the toast. We had never done that before and the butter was so hard back then we tore the toast up but she cooked it and we ate it anyway. I loved Clara so much she had a very special place in my heart.

“ Condolences to the extended family & a huge thank you to the caregivers. We were fortunate to have Clara (& Otis) as next door neighbors. Its true when we say "it takes a village". Clara watched over the entire street, teaching us how to make frog houses ; making the best Halloween treats & bicycling all over Snellville during the construction boom in the 70s. Their home was decorated red during Christmas & Clara is the one that brought me to Christ. She drove their "beetle bug", in high heels, to Yellow River Baptist taking myself & Sandy to Sunbeams on Wednesdays. When I had my daughter she gifted me a pink blanket & later a blue blanket for my son. The twins blankets & she knew I would cherish them. Clara was a treasured friend & I know we will see each other again. Thank you again to Marilyn and the family that watched over Clara

“ I am so saddened to hear Clara has passed away. I grew up next to Otis & Clara and have many fun memories with both of them. I know Otis was waiting on his Clara. I love you and will miss our talks. Forever in my heart.
