“ My deepest condolences to the Bartecchi family. We grew up together in Curundu, Canal Zone. As childhood friends, Clara Jean was always Vicki and Nancy’s little sister. The media tribute to Clara Jean is a testament to her life. 💕💕

“ My thoughts & prayers are with Ms. Clara's family... She will truly be missed... I have so many fond memories of her over the past 15 years... I had not seen her in several months & then week before last I went into the store & she was there... She gave me the biggest hug & I'm just really happy I was able to see & speak with her...Joey, you were her pride & joy... Take Care...##imported-begin##Brenda Richatdson##imported-end##

“ Clara,  
We only knew each other for a short time, but you left a wonderful impression. You did a terrific job raising Joey and we are both honored to call him our Son-in-Law.##imported-begin##Arthur and Kathleen Watson##imported-end##

“ No questions asked, one of the best grandma's anyone could ask for. I've only known of Clara for more than a year but loved her like family still. She was one of the few co-workers that could tolerate my loud antics and burps with a smile. I'll definitely miss the times when I'd randomly call her from work on her off days and bug her about everybody missing her. The wisdom she's taught me over time I'll take to heart and continue to do the best that I can through life's obstacles and challenges.##imported-begin##Gary R.##imported-end##
