“ I was so sorry to hear of Clarences's passing but so comforted to know he was a believer in the Lord Jesus. I went to Sequoyah and Peachtree High with him and knew him as a kind and gentle guy. Our Class of 71 is having a belated 50 year reunion next April. He will be memorialized then in a special way. Peace be with you and his entire family in the days to come.

Sincerely,
Fran Whatley Hollifield

“ Arlene and Amy,

I was so sad to hear about the passing of Clarence. He was a good and decent man who would help anyone if they needed it. He surely helped Gary and I over the years and we sure appreciated it Clarence took very good care of his family and was a true believer in our Lord and Savior Jesus Christ. He left this earth way too soon for all who loved him but he has now gone on to Heaven to be with the Good Lord. He will be greatly missed. God Bless you both.
