“ *It was a shock to hear about cliff. I know that we did not stay in touch alot and just over the passed couple of years I saw him when he came through and stoped by my dads house in Hagan, Ga. He looked like his dad. You are in our prayers and I pray the Lord give you the strenght to get through these hard times. just remember we will see him again, his physical body may be gone but he is with the Lord, and his dad and sister. God bless
