“ *Mrs. Cliff Moye and Family:*

I just learned of Cliff's passing and it was too late to attend his funeral. I wish to express mine and all of Cliff's friends at Moreland Altobelli, deep condolences for your loss. Cliff was a good road designer and I really had two careers with him; one at GDOT and one at Moreland Altobelli. If I ever may be of any service, please give me the opportunity.

“ You were the greatest Dad. No matter how I say it, I wish I would have been able to spend more time with you. I remember the time it was just YOU and ME. We always had a good time. You were always surprising me with your personality and know how attitude when working, having fun or just meeting people. I could tell when you were the happiest. It was when you were traveling and visiting relatives and friends. You kept me aware of right and wrong and showed me the importance of attending Church. I will miss you greatly Dad until the day we are able to share our time together again. Your Son. Love You Dad.....
