“ Clinton was definitely one of kind---I remember he and Connie's first apartment in Lawrenceville, waiting with him for Josh to come into the world--and Josh stubbornly refusing to arrive until I left!! Connie, Josh, Becca, Steven, you have truly been blessed with a loving husband, Dad and Granddad---how blessed to know he loved Jesus and is now in a beautiful place---Love to all, Ant Judy

“ No words can say who Clinton was. He did not know the word NO. He did not judge just loved and I needed to be loved and he made me truly feel like his sister. His smile and his caring words will always be with me. He was dedicated to God, family, friends, country, and he was a great cook. His leadership carried on to his whole family. He taught them well and they will continue to carry on his love for all. I love this family and I am here for you!
