“ I met Cody at his new job at transport refrigeration. He was excited about getting the job, spoke about his new beautiful wife and just being newly married. I was devastated when they told me he had passed. Just the short time I knew him, you could tell what a great man he was and looking forward to a beautiful life with his new bride. People cross our paths for just a moment and yet they leave a lifetime of impressions. I think of his sweet family as they prepare to say goodbye to his earthly body, but know he loved you greatly.
