Recall this young man always with his Paternal Grandmother, Lunell Jones; who loved him so! He was never far away from her. Lunell was my sister and we were a very close-knit family - until her death in 2018. She has been in Heaven now for 6 years and I know with all my heart he missed her severely!! God Be with the family now through this grieving period.

“ *I went to high-school with Cole and he was always so kind and sweet. He was quiet but also wouldn't shy away from a conversation if you talked to him and could be quick to make a joke. There were several classes we shared and even a few projects we would be in a group for. I'll always remember him as a friendly face and kind human being in a place where there wasn't enough.*

“ I went to school with Cole from middle school to freshman year of high school. I remember his intelligence, and his quiet kindness. There was an instance in our freshman year of high school where he stood up for me against a girl bullying me. His voice was shaking, face was red—I could tell he was out of his comfort zone for speaking in any form of retaliation. But I will never forget that seemingly small act of kindness. I’m praying for his whole family and ones who loved him most. 💕

He was indeed intelligent. And he was quick to help others in need.
