“ Our family really enjoyed visiting Colleen and Cec. The three older kids enjoyed the times we spent at your house. I just imagine their fondest memory would be sitting and singing and of course when Cec let them get on the bike and he took their picture. The younger two enjoyed the many hours of listening to stories of their dad and his sisters and Vincent and Colleen many excursions. They still talk about the many good laughs they shared and the tears of happiness. We want you to know that our family is feeling the sorrow that comes with the passing of a love one. But keep in mind, she is with Jesus and is not suffering with pain, and is celebrating the reunion with her family and friends. Can you just imagine the stories being remembered with your grandparents, Bill, Alice, Marilyn and Doug. We will always remember her kind way. She was a beautiful person inside and out. May you all have the peace that she would want you to have knowing she will be seeing all of us in the future. Hoping for the very best for Colleen's family and friends. She will be missed. Love, Karen
