“ *I remember Royce coming to visit my daddy, Rolla Williams. When I was a teen I was in the emergency room and Royce happened to be there and he came in to see me. I remember him being so kind. I never forgot him.##imported-begin##Rachel Williams Mitchell##imported-end##*

“ *Uncle Royce was a strong-willed, intelligent gentleman who always greeted me with a smile, and made me feel important. He was a wonderful father figure as well an amazing uncle. He served his country and the Lord well, and now he is enjoying the peace that only God can provide. I will miss him terribly, and I will carry the respect and love I have for him in my heart forever.##imported-begin##Julie Miles Frye##imported-end##*

“ Col. Royce C. Williams.....What a man of integrity. I remember his brave disposition. I remember the navy blue blazer that he would sometimes wear; he looked so sharp. I remember his kind smile. I remember the countless times he smiled and said "Thank you Miss Lolita, I appreciate your help". I feel privileged to have known him. Finally, I thank God for every remembrance of him.

Sincerely,

“ I am sitting in my office as I type this message and looking at the picture of Brother Royce pinning my bars on my uniform as I began what would be six years as a military chaplain. I am thankful for having know him and his family for these many years. May God comfort the family as only He can during this time.
