I worked with Connie, better known as Dora, at Noble Village, She will be dearly missed by me and all who knew her. Though she is gone from sight her warm smiling face and her love and caring will never be forgotten.

My deepest sympathy goes out to her family, especially her children, Dora left them a legacy of love and guidance to live on in their hearts. May that be a source of strength and comfort to them at this most sad and difficult time. Heaven received an Angel today to watch over you. RIP dear friend

“ Como quisiera compartir unos segundos mas a tu lado, porque solo eso bastaría unos segundos para decirte lo importante que fuiste en mi vida.

Gracias por todo el cariño y amistad que me brindaste durante tu estancia acá en la tierra, ahora que ya no estas, lo único que me queda son los bellos recuerdo que compartimos durante 35 años de amistad; desde que nos conocimos fuimos una dupla espectacular pasamos momentos increíbles de alegrías, carcajadas, paseos naturales, recuerdo cuando saltábamos las piedras de los ríos para no caer al agua, cuando celebrábamos los cumpleaños cuando éramos unas niñas. Esos lindos recuerdo son lo único que me queda de tu ausencia, lamentablemente ya no podremos cumplir nuestra última aventura que estábamos planenado ase unos días.

Eres la mejor amiga que he podido tener, te guardare por siempre en mi corazón donde vivirás conmigo todo lo que me queda de vida.

CONNYY" tu ausencia ha dejado un gran vacío en nosotros, te quiero tanto amiga linda que no podré soportar Tu partida, extrañare tus llamadas, mensajes principalmente tu cariño incondicional.

Espero que el tiempo nos allude a sanar esta pena tan grande que vivimos y que Diosito lindo te de el decanso eterno y que a tu Esposo Alex y tus hijitos lindos Karencita, Kevin y Jordy me los fortalezca con mucho amor, paciencia y sabiduría para poder soportar también tu ausencia. No te digo adios, porque te prometo que volveremos a vernos....

“ I knew Conny as Jordan's mom, and she was an amazing, loving, dedicated and caring mother. She always supported Jordan and our classroom. I know she will be looking down on Jordan and the whole family and the love she showed all of them will continue to support them, even though she is no longer here with us. And I hope it helps her rest easier knowing that Jordan will be surrounded by his "family" from Trip Elementary and we will do all we can to help him get through this difficult time.

“ *Sweet, loving Dora will be deeply missed by all who loved her. I count myself lucky to have known her. My journey with Alzheimer's was made easier with her loving and kind ways. I will always remember her smile, laugh and her love for my mom. I loved Dora. My prayers and thoughts are with her family. We all thought we had more time with her. God had other plans and brought her home to him. I hope you can find peace with your happy memories of her.*

“ I have many memories of Dora as a co-worker and one who knew, felt and witnessed every day the love, caring and joy that she shared with her residents, her co-workers and especially about her beautiful kids who she always talked about as well as that 'amazing' husband who she adored. The fact that Dora has moved on to Heaven is in a sense wonderful for her, but for those who are left behind, this transition is unbelievable, sad and bittersweet. Dora, I believe that you can move on, knowing that while the kids will be terribly sad, they will be ok....you brought them up right and were and still are (on the sidelines) an amazing Mom. They will never forget that and will never forget you. As for the caregiver that you were----you were wonderful. You touched and cared for so many lives. Your work was not easy, yet you did it with love and compassion. You will be missed far more than you every realized. I do believe that you will continue to 'live' among us, watching over us, hopefully guiding us....God bless you, Dora. (Conny Surio) You are and always will be loved by so, so many, here on earth. Fly free and know peace.

“ My sweet little Dora. Words cannot express how much I'm gonna miss you. I wish I had one more time to see you. I thought I had more time, and now you're gone. I love you so. I will always remember your beautiful smile. And the way you would say "Ah Darlene" when i did or said something silly. Rest on baby. Muah
