“ *I will always remember Cornelia's smile! It was instant and heart felt. I will never forget when Cornelia received the news that she had a very serious disease. When I spoke to her about it, she didn't cry, she didn't say why me, Lord? She was sure God would be with her all the way and her strength came from him. What a testimony for the rest of us!!*

I am Cornelia's first cousin, was out of town when I heard of her passing. She and I are the same age, grew up going to Rocky Branch Church when they had revivals and home coming. I loved Cornelia and will miss another of my first cousins passing.
