“ *I was blessed to have been Curtis's school bus driver for several years. I'm thankful for the time I got to spend with him, the little gifts he made for me and the friend he was to everybody on the bus. I pray for his parents , family and friends. My heart is broken, but know one day he will be united again with all his family and friends. Thank you Curtis for being my friend and making my days must brighter when you climbed up the steps of my school bus with a smile on your face and said Good Morning. I pray for your family , friends and loved ones, but rejoice in knowing we will all meet again.*

“ I met curtis when his mom. Lisa brought him to work a couple times not long ago.. he could have sat and watched us work.he didnt.instead curtis swept and mopped the floor insisting his mama didnt need to be doing it. He also filled suger and napkins and dried silverwear.curtis was a huge help and I'll never forget the pride in his eyes when I thanked him and gave him a few bucks.i was quite impressed with this.sweet, respectful. and helpful young man. Curtis smiled alot. He was obviously happy and enjoying life. He adored his mom and she adored him.that was undeniable.

“ I will miss you my dear Curtis. You’ve always been my buddy, my dear friend, and I will miss talking to you, seeing you at church or out and about with your Nannie. Lots of wonderful memories starting when you were just a baby in the nursery, to Sunday School, Youth group, confirmation class and beyond. I send you hugs and love up to heaven my dear buddy!
