“ I am so sad and with a heavy heart when I think about you won't be coming around, or calling me anymore. Denise always reminded me of my sister; and always had some sharp words for me. But I knew they were always delivered with love. We talked, laughed, drank and ate together, and I will always miss you and hold those good memories of you in my heart, as long as I shall live. Love and missing you. John and Akayla Grimes.

“ *Neesie was our favorite waitress at Waffle House. Every Friday my wife and I bring our five kids there and Neesie would be there to greet us with a smile. She didn't have to ask our order, she knew it. She was incredible and she made it so fun for the kids. 3 days before she died she gave my son a dollar and an unexpected face full of whip cream for his 9th birthday. Those were some of the things she did for the people she served. It truly was an honor to know her and I'm grateful to her for the special times on Friday mornings she gave us. Neesie, you will be missed..thanks for serving my family so well.* ”

“ *Nessie,  
I won't be able to make your service but you will always be in my heart. We have fussed, cussed, and mustered up all types of memories. I don't know what I would have done if I had never met you and your family. I was alone without a friend or family when we met. You became my friend, my roommate, and another mother for my children. Oh lord girl, without your help with my boys I would have been lost. I remember when Beth came along and I became a god-mother. You had to name her after your grandmother and I begged you leave the "Mae" part. Do you think you did????? NO. It was always your way with your head strong self. Then, there was Damien. Mr. tall dark and handsome but quiet like "Beaner".  
That was like when Beth called me and you needed me.... I came and we worked through things together. No one will ever know our whole story of our ups and downs nor understand them. I know I changed when I came home and got married but I still loved you and enjoyed every minute we share in SC. The people here did not and will never understand our relationship. Heck, sometimes we didn't!!! But we remained friends and will for ever!!!! Boy God has his hands full. I Love You!!!! See ya soon old friend!!!- Paula*

*“ Here's to you baby girl for all the great times we had together once upon a time in another world. We were gonna do the things everyone said we couldn't do. We gave it one heck of a shot. But sometimes things get in the way and don't work out but we still have a good life. I know sometimes your life was a bit hectic but you had two beautiful children and they loved you very much and that counted for a lot so God blessed you for that. I know when you get to Heaven Jolene will be there to greet you with arms wide open saying "hey neecee" whats up. So go fly with the Angels and wait for us cause God is coming soon for all of us and we will all be there with you praising Him.*

“ I still remember the first day we met at 1915....I thought to my self I will never be the same. You thought me many things about myself that I did not know I had in me.....But most of all you taught me how to stand up for myself at all cost. For that I will love you forever.....

“ Denise was a loving, caring, sweet and one of a kind person.  
Denise could always make John, Jewell and me laugh. Denise  
loved Jewell so much. She would take her out of her seat, play  
music and dance with her at Waffle House. Last time I saw her, we  
hugged and said "I love you." I will miss you, Denise.
