“ Sending sympathy from 2nd cousin, Danell Wallis Baber—Roy and Evelyn's daughter. I remember fondly going to the Garner house as a child and seeing Don and Doris, and playing with Dale, Dennis, DL and Delores. I know you will miss DL as you mourn his passing, but praying that God will comfort you and allow happy memories of him to bring smiles through your tears.

“ DL was one of a kind. Always up to no good LOL. He would do anything to help anyone. He interviewed me and hired me to work at Micromeritics over 41 years ago. He helped me with my horse when she broke her leg many years ago. He helped me to find a place to board my little horse 5 years ago and I have been going to Loganville every Saturday since to visit my horse. I will think of him every Saturday when I go to visit my horse. He and Pat made such a good pair. Please look after her Little Buddy!!

“ Wow. What a great, giving person and friend. You could always rely on DL and others to help in whatever capacity was needed. So many fun times at work and in the field to mention and he will be sorely missed for sure. Earth lost a good guy last Wednesday but Heaven gained a great angel and if there are pine trees in Heaven, I am sure DL is climbing them to fell or to hunt from. DL would give anyone the shirt off his back but his shirts wouldn't fit most of us anyway. Haha. Peace be with Pat and his family and friends as we celebrate his life with each other and keep him alive in our memories.

“ We are thankful to have known such a great friend as D.L.. He was one of the most genuine people we've ever known and was always friendly and helpful. Every moment spent with him working, fishing, hunting, or playing sports was a gift.

“ I worked with DL and Pat for many years at Micromeritics. DL was always smiling, telling a joke or just up to a lot of mischief. He had a big heart and would do anything for anyone. He will be missed greatly. RIP my dear sweet friend.
