“ *Dakota Waters was my 5th grade student. He had a beautiful mind, even at 10. He was so inquisitive, he read many of my books. The largest book he read, cover to cover, was my 430 page science encyclopedia! He was a good friend and had a great sense of humor. He had a smile that was contagious. I am proud to have been his teacher. You will be missed Dakota.##imported-begin##Heather Thorpe##imported-end##*
