“ I have to fight back the tears just to try and place my heart on this paper. We are so blessed to have you as our Daddy, Pop Pop and GREAT PopPop. You have been the "Anchor" that kept us all afloat and stopped our drifting at times. I know in my heart that you are watching over each one of us and again some day I will hear your voice and your laughter but until then I will see you in the faces of everyone you have touched. Be in peace Daddy/Pop Pop and ride on ...

We'll Love You FOREVER-

“ Dad, while the past few years we haven't been as close as a father & son could be.....I loved you for the man that you were and the life you lived. Families don't always agree but they still love one another. Ride on Dad. Say hi to Mom and give her a big hug from all of us.###imported-begin##Jonh Hollenbach###imported-end##

“ So sorry to hear about Dale. He was a good Telephone Pioneer, volunteering for local community service projects and helped for many years at the Sports Jamboree at Indiantown Gap. The Jamboree is a sporting event for children who are sight impaired or in wheelchairs. Will always remember you winning your Harley! Rest in peace, Dale.##imported-begin##Leni Herr##imported-end##

“ Dear Kathy, We were so sorry to hear of the loss of your so loved husband of just a few short years. We must say you both looked so happy together, which the two of you so deserved after taking care of others for so long. At least you will have good memories. Now we all will have to wait for God to give Christ Jesus the time to resurrect all our dead loved ones to everlasting life. It will be a wonderful day when we can see them healthy again never to have to die. It is with great sadness that I read about Dale's passing. We were friends at Northwest Jr. High School and Reading High School. Dale and I lived only two blocks apart in the Glenside section of Reading. Please be assured that both Dale and his family are in our prayers.
