Lewis Daniel (“Dan”) Gallagher

September 25, 1949 - August 15, 2021

Lewis Daniel Gallagher (“Dan”) of Hoschton, Georgia passed away on Sunday, August 15, 2021 at age 71 surrounded by his loving family. He was preceded in death by his parents, Harry E. Gallagher & Etta T. Gallagher McLaughlin. Dan leaves to cherish his memories his beloved wife of 51 years and high school sweetheart, Barbara Jean (VanArsdale) Gallagher, as well as his two children, Laura Jividen (Jeff) and Daniel Gallagher (Ashley), his four grandchildren, Tyler and Zachary Jividen, and Ethan and Kylie Gallagher, and his two brothers, Harry E. Gallagher, Jr. (Helen), of Texas, and Ralph P. Gallagher, of New Hampshire. Dan also loved and adored his extended family and friends, always putting his wife, children and grandchildren first.

Dan was born in Gadsden, Alabama on September 25, 1949, and graduated from South River High School in South River, NJ; he earned a bachelor’s degree in Accounting from Rutgers University. He proudly served his country in the Navy as an anti-submarine crewman from 1968 – 1972. Dan enjoyed a successful career at various companies starting in accounting and eventually moving into project management consulting work, which allowed him to work in several different states and in both Poland and Brazil.

Dan was a real family man and wouldn't dream of missing any of his children's and grandchildren's sporting events, concerts, and other activities. His playful and laid back personality was his most endearing quality, especially to his grandchildren who absolutely adored their "Papa". His passions were documenting his family genealogy, collecting classic cars, fishing and boating on Lake Lanier, golfing, and traveling with his wife and children's families to favorite places such as Lake Burton and attending street rod car events with his brothers.

In lieu of flowers, please send memorial donations to either St. Jude's Children's Hospital or the American Cancer Society in Dan's honor.

All services and visitations have been postponed.

“ *My heartfelt condolences to you, Dan, your family, your mother and all your father's relatives and friends. Even though I never met your father, I know he had a great impact on those he loved and came in contact with based on what I've read about him above and from knowing the son he helped raise. Your father's soul and all his family and friends are in my prayers. May he rest in Peace! God Bless all of you.*
