Eddie and I have fond memories of Boy Scout camping and events with Danny as the leader of our son's troop 81. Danny helped him and many others to become Eagle Scouts. These achievements remain as influences in the lives of these former scouts. Quite a legacy. Ed, Lynne, and David Grayson

Condolences to the family and a mighty Scout Salute to Danny. He, Glenda and their family were a huge and wonderful part of my first few years as a professional Scouter with the Northeast Georgia Council.

*Hi Glenda. It's been quite a while, 50+ years, but I was going through some of my Scout memorabilia and saw Danny and Glenda Fendley. Lights flashed and memories flooded my head, so I googled you two and was shocked to learn of Danny's passing almost two years ago. Needless to say I was surprised. Then I thought more and Pat and I talked. about the past. You remember in either 69 or 70, I had my first date with Pat. Guess who was there, you and Danny, We went flying to Bryson City, NC for the day flying back at night with Pat at the controls, until the landing. Not long after that, the four of us went camping on Jekyll Island GA. Remember getting stuck in the sand and having to push the VW bus out. After that we kinda lost touch until May 30, 1971 at the General Hospital in Athens. Pat (we married Nov.27, 1969) was pregnant and we got off the elevator in the obstetrical wing and who was the first person I saw, Danny, grinning like a Cheshire Cat announcing the birth of a son Morris. Well shortly after midnight, May 31, 1971, our son Kevin was born, and people were asking about the twin boys in the nursery. Times have changed but great memories are still there. And Danny is a great one.*
